ABOUT THE SCHOOL

Founded by Diana Byer in 1978, Ballet School NY is the official training school of New York Theatre Ballet. The school teaches dance as a total art form, developing strong technical skill and discipline. Following the Cecchetti syllabus, classes emphasize music, theatricality, gesture and style. Well-trained Cecchetti dancers have purity of line and simplicity of style, which enable them to take their place in dance companies throughout the world. **For qualified students, the school's unique relationship with NYTB provides performing experience throughout the year in ballets featuring roles for children.**

REFUND POLICY

The School is unable to give refunds to enrolled students for classes missed due to illness, religious observance, vacation, or any other reason. In the event of formal withdrawal from the Children's Division, no refunds are given for the quarter in which withdrawal occurs. Any paid periods beyond the current term will be refunded at the rate of 50%.

NONDISCRIMINATION POLICY

Ballet School NY does not discriminate on the basis of race, color, orientation, or national or ethnic origin in its educational policies or programs.
